Hemen Hiwa Kamal

Front End Developer

Hardworking and passionate job seeker with strong organizational skills eager to secure entry-level Front End/React Developer position. Ready to help team achieve company goals. Organized and dependable candidate successful at managing multiple priorities with a positive attitude. Willingness to take on added responsibilities to meet team goals. Strong sense of pride in the work done, and always striving to learn more to better apply my skills.

Education

2022-04 - 2024-01	**Code Insitute Diploma: Full Stack Developer** *Code Insitute - Dublin, Ireland*
2021-08 - Current	**Bachelor of Science: Business Law** *Linköping Universitet . Linköping, Sweden*

Work History

2018-06 - 2022-04	**Sales: Customer Communication** *Bahaus AB, Linköping* *As a salesman at Bauhaus, I helped find and reach solutions to the needs of the customer. Each customer bringing a unique problem that required a different solution. This forced a development of pride in my work and a meticulous attention to detail, as a sloppy solution would bring financial consequences to both parties involved. Through this, I have gained invaluable experience in working under stress, problem solving and customer communication.*
